

WOMAN'S CLUB
of CASSELBERRY

Newsletter

The Woman's Club of Casselberry's primary mission is to seek civic and social improvement by engaging in activities that benefit our communities. We can affect positive change by working together to make a difference.

FROM THE PRESIDENT'S DESK

Attention all members!

We need your help to fill the committee positions. This is a crucial time for the club, and we cannot afford to fall short on our commitments. We offer different levels of commitment, and you can even co-chair a position with a friend. Taking an active role in committee activities can be a fulfilling experience that not only benefits the community but also helps develop new skills. As such, we encourage all members to consider stepping up as committee chairs and leading the way towards positive change.

Your contribution can make a difference, so let's work together to achieve our goals.

The Woman's Club of Casselberry is proud and excited to sponsor one of the mini goats living at the farm. Her name is Matilda, she is almost two years old, and she is a Moon Spot Nubian goat. She has a great personality and is very protective of the other goats. Our support will fund food and veterinarian care for Matilda for one year. It also includes our name on Matilda's stall and unlimited visits with her.
